Dear Vicar, et al,

I want to congratulate you and the entire EE Hong Kong team on your 40th anniversary in ministry with Evangelism Explosion! What a key part of the international work of the EE you have been over these past 40 years!

EE Hong Kong has had such a positive impact on the expansion of the ministry around the world throughout the history of our ministry. EE Hong Kong was the first ministry in Asia, and the launching spot for all the work in the entire continent. Even while we were planning and building our international Congress of Nations, EE Hong Kong was one of the original 7 nations that helped build the vision for what is now 76 nations working together to help fulfill the Great Commission of our Lord and Savior Jesus Christ!

We, as a international partnership of member nations, praise God for you and your faithfulness. My prayer for you is for a long and fruit-filled service, with much fruit that remains, as our Lord instructed us in John 15:16- *"You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you."*

May the Lord richly bless you as you continue to serve Him!

Together, in His service,

Rev. Dr. John B. Sorensen, D.D., D.H.L.
